PERFECTION OF LIEN**

(11 U.S.C. §§ 362, 546(b))

- Affects PG&E Corporation
 Affects Pacific Gas and Electric Corporation
 Affects both Debtors

**All papers shall be filed in the Lead Case No. 19-30088 DM

Creditor A.J. EXCAVATION INC., ("AJ"), by and through its undersigned counsel, hereby files this notice of perfection, maintenance, and continuation of perfection of its mechanics' lien against the Debtors, PG&E Corporation and Pacific Gas and Electric Company ("Debtors") pursuant to 11 U.S.C. sections 362(b)(3) and 546(b) ("Notice"). In support of this Notice, AJ represents the following:

1. AJ is organized as a California corporation, in the business of performing earthwork, grading, paving, foundation, fencing, excavation, maintenance and/or other related construction

services, with its principal place of business at 514 North Brawley Avenue, Fresno, California 93706.

2. Debtor Pacific Gas & Electric Company (hereinafter “PG&E”) contracted AJ to provide earthwork, grading, paving, foundation, fencing, excavation, maintenance, and/or other related construction services for the improvement of certain real property owed, or reputed to be owned, by PG&E, as provided more fully in the prepetition contract (Long Form) (hereinafter “Contract”). The real property is located at the following address, along with the contract number, more commonly known as:

**Lodi Substation
223 North Cherokee Lane, Lodi, CA 95240
Contract #9581**

(hereinafter “Real Property”).

3. Prior to the bankruptcy petition, AJ furnished such labor, materials, equipment, and/or supervision for the earthwork, grading, paving, foundation, fencing, excavation, and other related construction services for the improvement of the Real Property in accordance with the scope of work contained in the Contract, and as amended by applicable work change orders.

4. The principal sum, exclusive of interest and other charges, that is currently due and owing to AJ for the labor and materials provided to the PG&E pursuant to the Contract is:

\$140,330.00

5. Bankruptcy Code, 11 U.S.C. section 362(b)(3), provides that:

The filing of a petition under section 301, 302, or 303 of this title...does not operate a stay... under subsection (a) of this section, of any act to perfect, or to maintain or continue the perfection of, an interest in property to the extent that the trustee's rights and powers are subject to perfection under Section 546(b) of this title or to the extent that such act is accomplished within the period provide under section 547(e)(2)(A) of this title. 11 U.S.C. § 362(b)(3).

6. Bankruptcy Code, 11 U.S.C. section 546(b), provides that:

(1) The rights and powers of a trustee under sections 544, 545, and 549 of this title are subject to any generally applicable law that-

(A) permits perfection of an interest in property to be effective against an entity that acquires rights in such property before the date of perfection; or

(B) provides for the maintenance or continuation of perfection of an interest in property to be effective against an entity that

1 acquire rights in such property before the date on which
2 action is taken to effect such maintenance or continuation.

3 (2) If –

4 (A) a law described in paragraph (1) requires seizure of such
5 property or commencement of an action to accomplish such
6 perfection, or maintenance or continuation of perfection of an
7 interest in property; and

8 (B) such property has not been seized or such an action has
9 not been commenced before the date of the filing of the
petition;

10 such interest in such property shall be perfected, or perfection of such
11 interest shall be maintained or continued, by giving notice within the
12 time fixed by such law for such seizure or such commencement. 11
13 U.S.C. § 546(b).

14 7. Pursuant to California Mechanic's Lien law, a claimant must commence an action to
15 enforce a lien within 90 days after recordation of the claim of lien. Cal. Civ. Code § 8460(a). Because
16 the Debtors filed their Chapter 11 petition for bankruptcy on January 29, 2019, it created an automatic
17 stay of all actions, including a claimant's action to enforce a lien. Thus, AJ was prevented from
18 commencing an action to enforce its liens against the Debtors and perfect its mechanic's liens under
19 the law.

20 8. Accordingly, AJ hereby gives this notice in lieu of the commencement of any action to
21 perfect, maintain, or otherwise preserve its mechanics' liens pursuant to 11 U.S.C. § 546(b) and
22 California Civil Code sections 8460(a), including the recording of a claim of lien, the commencement
23 of action to enforce the Mechanics' Liens, the filing of a Pendency of Action, and/or the service of
24 notice on purchasers of production on the Real Property ("Mechanics' Lien"). A true and correct copy
25 of the Mechanics' Lien is attached hereto as Exhibit "A" and incorporated by reference.

26 9. AJ hereby gives notice it intends to enforce its rights under the Mechanics' Lien to the
27 fullest extent allowed under the law. This Notice shall not be construed as an admission that such
28 filing is required or to the necessity of recording, commencement, or seizure. In addition, AJ hereby
 gives notice that it has, or may be entitled to, additional mechanics' liens rights to properties owned
 by the Debtors as they become due and owing according to prepetition contracts with the Debtors for
 the improvement of real property. This Notice shall preserve and continue to preserve any and all of
 AJ's rights as to the Mechanics' Liens and Bankruptcy Code.

10. AJ reserves the right to amend, supplement, or otherwise modify this Notice and reserves any and all rights entitled to it under the applicable law.
